

BHS Performing Arts ~ Chorus Parents

All members of the BHS Chorus need only to cover the \$30 program fee once per school year. In addition to the fee, there are additional ways to financially support the BHS Chorus!

Your help is needed! We are counting on each family to become a supporter of BHS Chorus at any of the following levels. **You will be helping the Chorus program specifically to focus on the arts and not fundraising.** Your financial support (tax deductible) allows for the provision of choral music, GMEA LGPE adjudication fees, LGPE accompanists, costumes and props for the spring show, etc... and supplements the limited funds provided to the arts from GCPS. Consider asking a local business or the company you work for to support us! They will receive advertisement in each chorus concert program this year. Even if you are unable to join beyond the program fee, your services as a volunteer are greatly needed! By providing your name and contact information you will be able to be informed of volunteer opportunities to assist the director both in the Lobby and backstage during concerts and other Chorus activities. Please know that we are a qualified 501(c) organization tax deductible for IRS purposes.

Please include this form with your check for all payments, preferably in an envelope or zip lock bag together. This payment cannot be made online yet.

Name (tone members and higher listed in program): _____

Email: _____

Phone: _____

Student's Name and Grade: _____

Membership Level: (please check)
